## Engage All Parents

Reach everyone on their preferred channel (mobile app, SMS, email or voice call)

## Personalized

Parents receive only the information related to their kids, with automated reminders

## Enterprise Solution

SIS integration streamlines roster setup and visibility across district, schools and classes

## Emergency Alerts

Urgently notify all parents on every available channel with a single publish

## Actionable Events

Parents RSVP, sign forms, make payments, volunteer to bring items and more

## Meetings & Messaging

Schedule meetings, message the whole class and chat privately with parents

# Meet Edlio

Edlio work with over 5,000 schools and districts in North America and now Canada, in partnership with Scholantis. Edlio's kind-hearted lion and chief brand ambassador "Spike" inspires all at Edlio to explore, create, and design thoughtfully and enthusiastically.

Spike reminds us of what our core purpose is:  
connecting schools with their communities.

We'd love to show you more. Call us for a demo.
